
STRIKE LAKE AND POLAND LAKE TRIP

AUGUST 26-28TH (STRIKE LAKE)
AUGUST 28-30TH (POLAND LAKE)

Strike Lake Plots

Plot Numbers: MP 289, MP 290, MP 291, MP 292, MP 293, MP 299

Dates	August 26th – August 28th
Location	Strike Lake area
Parking	Upper Parking Lot at Blackwell Peak
Campground	Strike Lake Campground - Reservation: \$5/night does not have to be booked in advance
Estimated Total Hiking	- Could be ~40km - AllTrails link to Strike Lake: https://www.alltrails.com/trail/canada/british-columbia/strike-lake-camp-via-lightning-lakes-chain-trail - AllTrails link to Poland Lake: https://www.alltrails.com/trail/canada/british-columbia/poland-lake-trail-2
Water Sources	- Many creeks and lakes along this trail

Access to sites	- Access to plots from Lightning Lake Chain Trail and Poland Lake trail
Predicted Weather	As of July 14 th : N/A
Special Precautions	- Bugs (always a concern) will be very abundant at the lake/ camp - Reviews note there were many bear and deer sightings - Many of the plots are located on steep slopes, so mentally prepare for that
Packing List	- Will send out document later on
Common Species Hitlist	- Will send out a document later on

Heard the lake is great for swimming, so no need for backcountry showers!

Tentative hourly plans for the weekend:

Tuesday August 26th (Travel and Hike in Day, potentially 1 plot):

Total km of Hiking: ~8 – 9 km

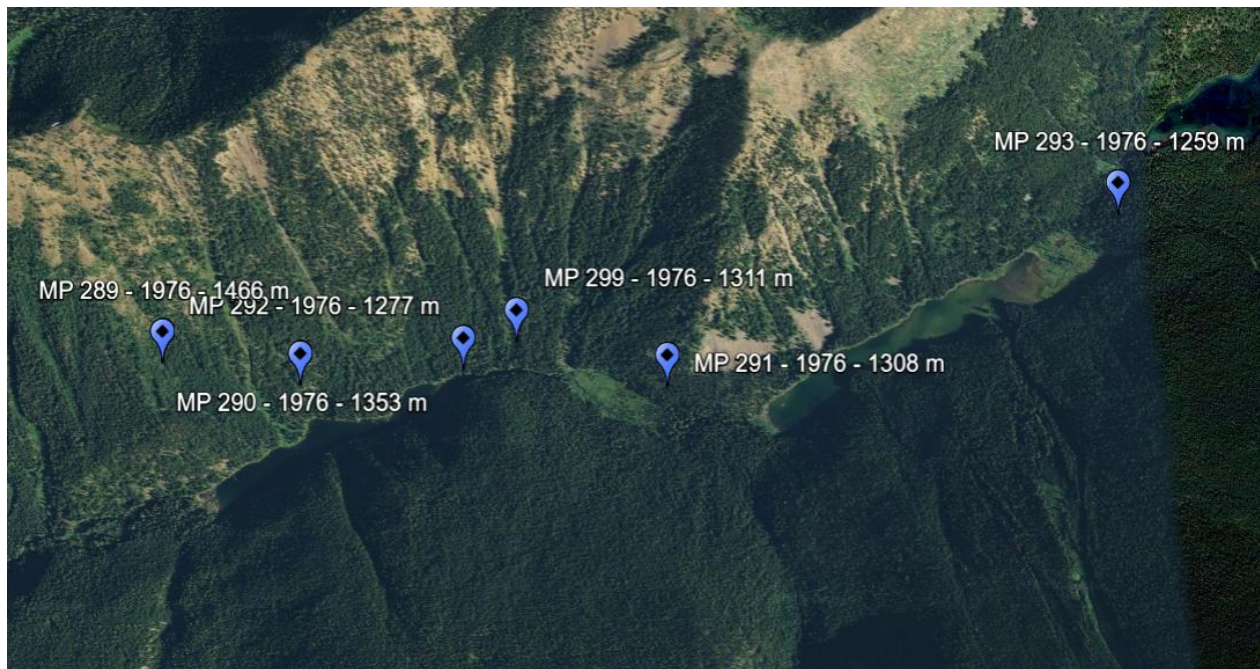

1. **9:00am – 1:00pm:** Drive from UBC to Birch Bay Parking Lot, Manning Park. Parking lot can be accessed by entering the campsite and swinging a right at the entrance.
 - a. Pickup any last minute supplies, fill up water, fill up gas, ect. I will have picked up supplies the week before so there may be no need to stop!
2. **1:00pm – 3:00 pm:** Hike ~6km (99m elevation gain) to Strike Lake Camp
We will pass sites MP 289, MP 290, MP 291, MP 292, MP 293, and MP 299 on the way (and can scope out access).
3. **3:00pm – 4:00pm:** Set up camp
4. **(If time):** Hike 30 min (1.5km, 18m elevation) to plot MP 292 and resurvey
 - a. **OR** we can survey MP 293 on the way in. It is located directly next to the trail

Wednesday August 27th Plan (2-3 plot day):

Targeting sites: MP 291, MP 299, MP 292

Total km of Hiking: ~5km

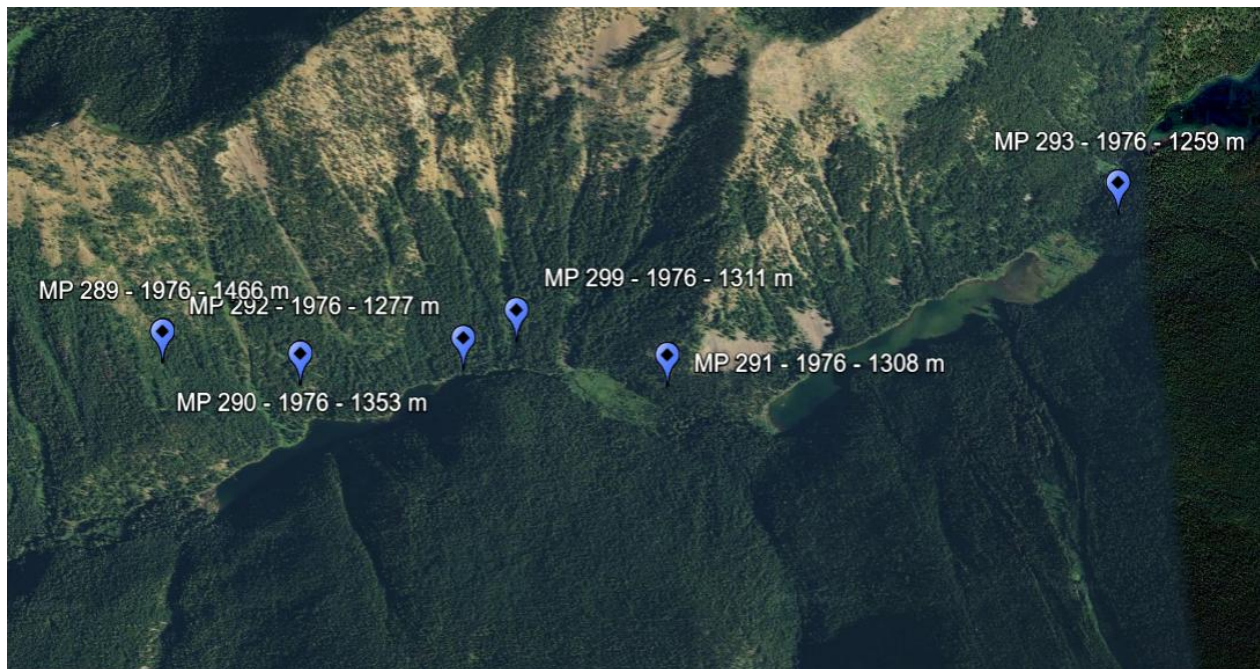

1. **6:30 – 8:00:** Wake up and breakfast
2. **8:00 – 8:45:** Hike 2 km, 30m elevation, E on Lightning Lakes Chain Trail to MP 291 (right off of the trail)
3. **9:00 – 12:00:** Survey MP 291
4. **12:00 – 1:00:** Lunch
5. **1:00:** Walk 500m W to MP 299
6. **1:00 – 4:00:** Resurvey MP 299
7. **(If time):** Walk another 100m to MP 292
8. **(If time):** Resurvey MP 292
9. **7:30:** Walk 2km back to camp
10. **7:30 – Sunset:** Dinner and some more free time to hang/ rest after all that hiking
11. **10:00:** Sleep!

Thursday August 28th Plan (2 plot day):

Targeting sites: MP 290, MP 289

Total km of Hiking: ~3km

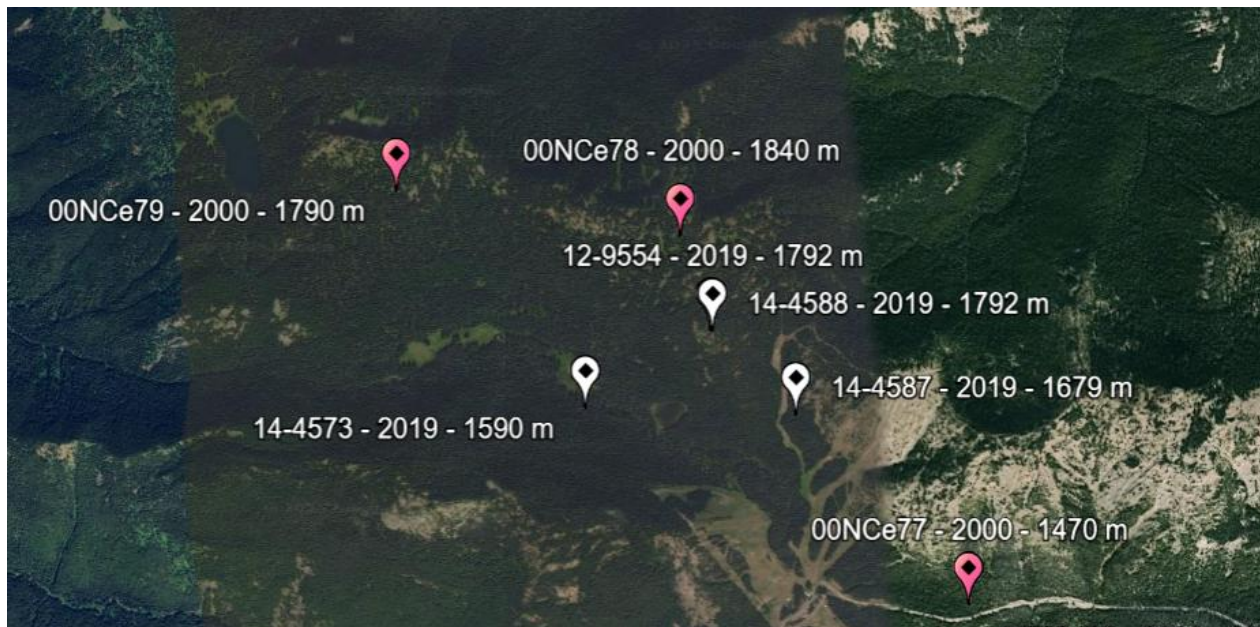

1. **6:30 – 8:00:** Wake up and breakfast
2. **8:00 – 8:30:** Hike 1 km E on Lightning Lakes Chain Trail to MP 290. Hike ~250m, 88m elevation as the crow flies upslope.
3. **8:30 – 11:30:** Resurvey MP 290
4. **11:30 – 12:30:** Lunch
5. **12:30 – 1:00:** Walk 400m, 94m elevation gain as the crow flies to MP 289
6. **1:00 – 4:00:** Resurvey MP 289
7. **4:00 – 5:00:** Walk 1km back to camp
8. **5:00 – Sunset:** Will have free time as it would not be feasible to hike to the next area today
 - a. It's 3km (40m elevation gain) W from camp to Thunder Lake if we want to check it out, but I have a feeling we might be too tired for more hiking!
9. **9:00:** Early bed and sleep! We will probably want to get up a little earlier next morning for the hiking

Friday August 29th Plan (Big hiking day, potentially 1 plot):

Targeting sites: 00NCe78 or 00NCe79

Total km of Hiking: ~14km

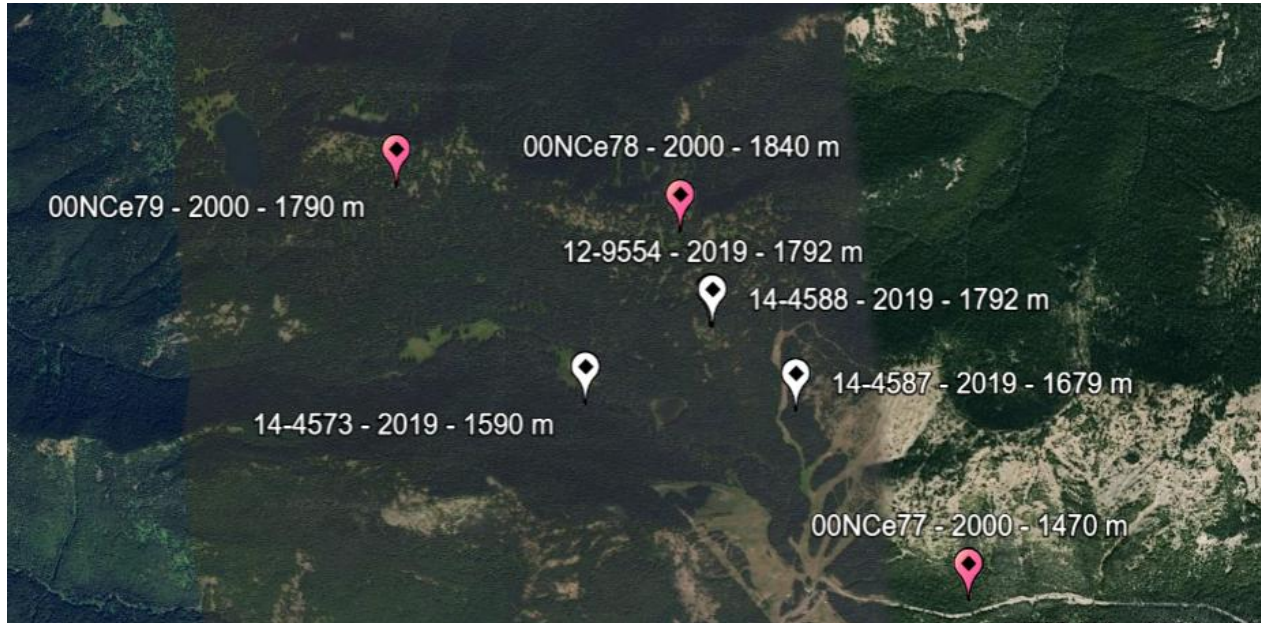

1. **6:00 – 8:00:** Wake up, pack up camp, breakfast
2. **8:00 – 10:00:** Hike 6km, 131m elevation gain, E back to parking lot
3. **10:00 – 10:30:** Drive to the strawberry flats parking lot
4. **10:30 – 12:00:** Little break to chill and lunch
 - a. Refill food supplies, water, ect.
5. **12:00 – 4:00:** Hike 8.3km, 541m elevation, to Poland Lake Campground.
 - a. We will pass by sites 00NCe78 and 00NCe79 so we can scope out access
6. **(If time):** Resurvey 00NCe78 or 00NCe79 on the way. 00NCe79 is closer to the trail, so we may want to prioritize this one
7. **7:00:** At camp, set up, dinner, rest!
8. **9:00:** Early bed and sleep!

******May be no need to camp, we could stay at the horse camp, and do a day hike to get to both of these sites (it is 6.4km, 513m elevation to the furthest or 4.9km, 481m elevation to closest plot)

Saturday August 30th Plan (Hike home and 1 plot):

Targeting sites: 00NCe78 or 00NCe79

Total km of Hiking: ~9km

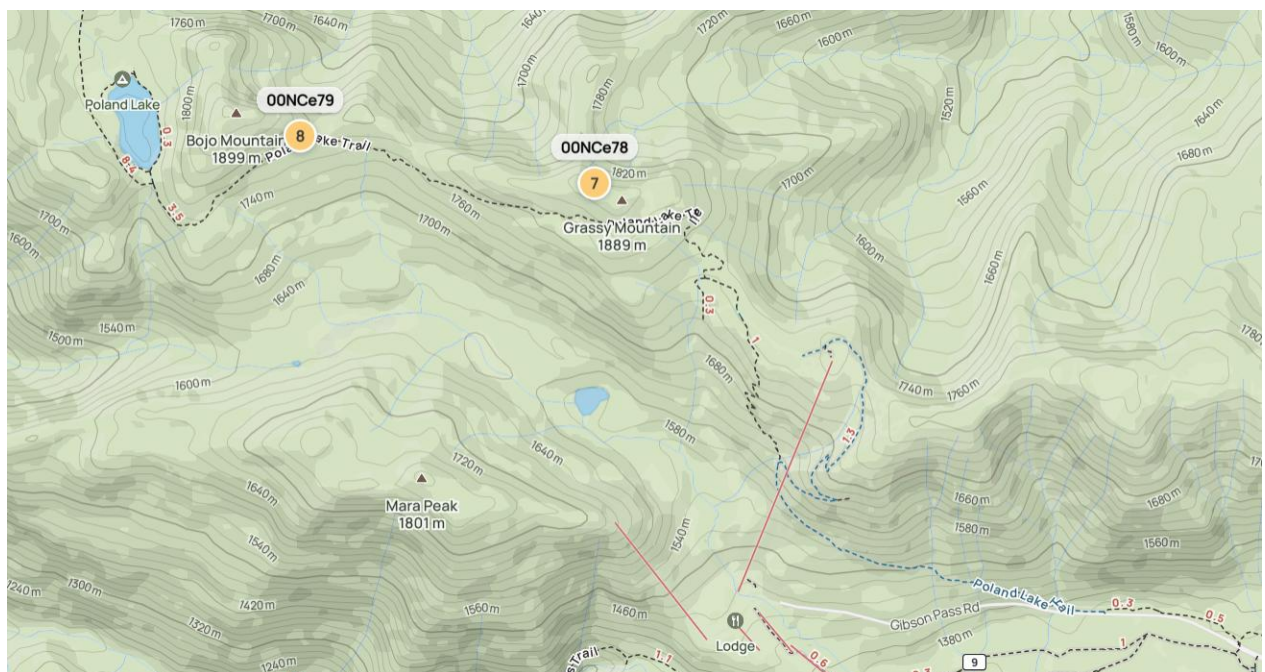

1. **6:30 – 8:30:** Wake up, pack up camp, breakfast
2. **8:30 – 11:00:** Hike 2km from camp, 62m elevation gain, E back to the ridge of Grassy Mountain. Hike onto ridge and another 800m as the crow flies to 00NCe78. There may be an actual path up to the summit of Grassy Mountain, in which case we can take that (be sure to scope out the day before)
3. **11:00 – 2:00:** Resurvey 00NCe78
4. **2:00 – 3:00:** Have lunch up on Grassy Mountain
5. **3:00 – 5:00:** Hike 5km down to parking lot
6. **5:00 – 8:30:** Drive back to Vancouver!
